

CASGLU DATA NOD CLUST

Rydym yn casglu data am yr arfer o nodi clustiau, er mwyn helpu i warchod a diweddarau'r wybodaeth ddiwylliannol rhag cael eu colli dros amser. Dros 2026, ein nod yw dod â'r traddodiad hwn i'r oes ddigidol drwy greu platfform rhyngweithiol ar-lein lle gall pobl chwilio am wahanol fathau o nodau clustiau, lleoliad, deall eu hystyr, a dysgu am hanes diwylliannol yr arfer.

Trwy gasglu data cywir a manwl, byddwn yn gallu adeiladu gwefan sydd nid yn unig yn gwarchod traddodiad Nod Clust ond hefyd yn ei gwneud yn haws i genedlaethau'r dyfodol ymgysylltu ag ef, ei ymchwilio a'i ddefnyddio. Mae'r prosiect hwn yn anelu at anrhydeddu'r gorffennol wrth ddarparu gofod modern ar gyfer y wybodaeth. Gwerthfawrogwn os gallech lenwi'r ffurflen hon a'i yrru nôl i Cymdeithas Defaid Mynydd Cymreig, Cefn Lleuar, Llanllyfni, Caernarfon Gwynedd. LL54 6ST

EAR NOTCHING DATA FORM

We are collecting data on the traditional ear-notching practice known as *Nodi Clustiau* to help preserve and revitalise this important cultural knowledge. While much of the information currently exists in books, we want to ensure that it is not lost to time. Throughout 2026, our goal is to bring this knowledge into the digital age by creating an interactive online platform where people can explore and search the different types of ear notches, understand their meanings, and learn about the cultural history behind them.

By gathering accurate, detailed live data now, we will be able to build a website that not only safeguards the tradition of *Nod Clust* but also makes it easier for future generations to engage with, research, and use. This project aims to honour the past while providing a modern space for cultural education and connection. Please fill in the form and return it to the Welsh Mountain Sheep Society, Cefn Lleuar, Llanllyfni, Caernarfon Gwynedd. LL54 6ST.
